

The Chosen (1981)
(108 minutes)

Story: Some people may not realize that just as there are different kinds of Christians (Methodist, Catholics, Mormons), there are also different kinds of Jews. This story focuses on two young Jewish teens (Robby Benson and Barry Miller – both wonderfully played!) who become close friends despite their fathers' doctrinal differences within the Jewish belief.

You will not only find greater understanding and respect for the Jewish people, but also wonderful insights into friendships and parent/child relationships.
